League Is Hustling for the State-Next Session at Grant's Pass Sept. 23.

SUPPORTS OUR COMING FAIR

Oregonians in St. Louis Next Month Should Attend the Transmississipt Commercial Congress.

Portland, Sept. 19.-(Special Correspondence.)-The Oregon Development League, which counts as members 33 active commercial bodies, has already become the most thoroughly representative state organization of its character in the United States. The next session of the Oregon Development League will be held at Grants Pass, Friday, September 23, and a large number of delegates from other cities and towns will be present. Among the speakers will be Hon. E. L. Smith of Hood River, president of the organization, and Vice President E. J. Blakeley of Roseburg. Others, who will go from Portland, are Mr. B. B. Beekman; H. M. Cake, president of the Portland Commercial Club; Mr. W. E. Coman. general passenger and ticket agent of the Southern Pacific, and Tom Richardson, secretary of the league,

Articles written for competition and appearing in papers printed outside of Oregon as a result of the prizes offered by the Portland Commercial Club. are acceptable in all papers published by October 1. No action will be taken by the judges until October 15. In the language of the street, "There is a chance to pick up some easy money." in these contests, as the competition is not anything like as great as people had expected, and there is ample time if you write at once.

Great interest centers in the session of the trans-Mississippi Commercial Congress to be held in St. Louis, October 25 to 29, inclusive, and the na tional irrigation congress, which convenes in El Paso, Texas, November 15 to 18, inclusive. There is a movement on foot to bring both of these great organizations to Portland in 1905, and the mayors of cities and towns in Oregon, as well as the presidents of commercial and industrial bodies of all kinds, are urged to name delegates at once and report same to Mr. Tom Richardson, chairman of the executive committee of the trans-Mississippi congress, Portland. Citizens of Oregon who expect to be in St. Louis the last week in October will confer a favor upon the state officers of the trans-Mississippi commercial congress by eport same, as it is desired that Ore gon have as large a delegation as pos-

Murderer Hidden in Trunk Nearly Escapes.

Chicago, Sept. 19.-Hidden in a trunk and almost suffocated, Calvin Linden, colored, who shot and killed Charles Meyers, a clerk, and wounded three other men Saturday night at State and Thirty-eighth streets, has been captured at the home of his sister, Mrs. Anna Foster of Blue island. The woman guarded the trunk by sitting on it while the police searched the house and Linden betrayed himself by raising the lid for air as soon as his sister rose and when the police were Individual deabout to leave after an apparently fruitess search.

Linden submitted meekly to arrest and declared he had killed Meyers in self-defense.

CUTICURA

Soap, Ointment and Pills the World's Greatest Skin Cures.

PRICE THE SET \$1

Complete Treatment for Every Humour, from Pimples to Scrofula.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalled head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants and the anxiety of worn-out parents, as in milk crust, tetter and salt rheum, all demand a remedy of almost superhuman virtues to edy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment and Pills are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speeds and several transfer. the certainty of speedy and permanent cure, the absolute safety and great economy, have made them the stand-ard skin cures and humour remedies of

ard skin cures and humour remedies of the civilized world.

The grandest testimonial that can be offered the Cuticura remedies is their world-wide sale, due to the personal recommendations of those who have used them. From a small beginning in the simplest form, against prejudice and opposition, against monied hosts, countless rivals, and trade indifference, Cuticura remedies have become the greatest curatives of their time, and, in fact, of all time, for nowhere in the history of medicine is to be found another approaching them in popularity another approaching them in popularity and sale. In every clime and with every people they have met with the same reception. The confines of the earth are the only limits to their growth. They have conquered the world.
